DEMONSTRATION THAT PUBLIC HEALTH, SAFETY, AND WELFARE ARE PROTECTED:		
	1=Non-compliance with the rule will not be adverse to the public health, safety or w	
1	2= Applicant will undertake alternative actions in lieu of compliance with the rule to ensure that granting of the variance will not be adverse to public health, safety, or welfare. Explain why alternative actions would be adequate (be specific).	
Facts:	The normal state Highway painted street lanes on Main Street are 10.5' to 11'. The present parade route width is 20' to 15'. Fire Trucks have gone down this same route for years with no problems. We have had an industrial Parade with trucks, tractors, combines and other large pieces of equipment that is over 50 years old. Street Fair officials and police are along the parade reoute for safety reasons	
DEMONSTRATION OF UNDUE HARDSHIP OR HISTORICALLY SIGNIFICANT STRUCTURE:		
Υ	Imposition of the rule would result in an undue hardship (unusual difficulty) because of physical limitations of the construction site or its utility services.	
	Imposition of the rule would result in an undue hardship (unusual difficulty) because of major operational problems in the use of the building or structure.	
	Imposition of the rule would result in an undue hardship (unusual difficulty) because of excessive costs of additional or altered construction elements.	
	Imposition of the rule would prevent the preservation of an architecturally or a historically significant part of the building or structure	
Facts:	Vendors that set up on both sides of the parade route have awnings or overhangs that vary from no overhang to 8' It is a hardship if overhangs are all lined up to make it fair for all vendors - There business space should all be on the same plane. It is a hardship on a vendor if his selling speace is 8' behind a vendor beside him. At least 25 vendors are using the fair as there major funding for the year or a local where most of this money stays in Wells County.
