1=Non-compliance with the rule will not be adverse to the public health, safety or w

1

2= Applicant will undertake alternative actions in lieu of compliance with the rule to ensure that granting of the variance will not be adverse to public health, safety, or welfare. Explain why alternative actions would be adequate (be specific).

Facts: 1. A fire watch per Sec. 403.1, IFC, will be provided for the event.
2. Two (2) means of egress at grade will be provided for the room in question. Temporary signage will be provided as necessary to indicate means of egress from the room.
3. There will be no inside cooking for the event - food will be provided by a food truck.
4. The Tap Room and Outside Patio have been previously approved by State CDR and/or local permit for use as proposed.

DEMONSTRATION OF UNDUE HARDSHIP OR HISTORICALLY SIGNIFICANT STRUCTURE:

☐

Imposition of the rule would result in an undue hardship (unusual difficulty) because of physical limitations of the construction site or its utility services.

☒

Imposition of the rule would result in an undue hardship (unusual difficulty) because of major operational problems in the use of the building or structure.

☐

Imposition of the rule would result in an undue hardship (unusual difficulty) because of excessive costs of additional or altered construction elements.

☐

Imposition of the rule would prevent the preservation of an architecturally or a historically significant part of the building or structure

Facts: Imposition of the rule would prohibit the use of this portion of the building for this one-time event.
