Variance Details

Code Name: 2014 IFC  
Group E 1008.1.9.1;1008.1.10

Conditions: 

The Kokomo School Corporation would like to attach a door locking device to all doors within the School Corporation in the event of an active shooter.
--

DEMONSTRATION THAT PUBLIC HEALTH, SAFETY, AND WELFARE ARE PROTECTED:

- 1

1=Non-compliance with the rule will not be adverse to the public health, safety or w
- 2= Applicant will undertake alternative actions in lieu of compliance with the rule to ensure that granting of the variance will not be adverse to public health, safety, or welfare. Explain why alternative actions would be adequate (be specific).

Facts: 

In the event of an active shooter in one of our school buildings, noncompliance with the code relating to a door locking device would enhance the safety and security of our students and staff.
--

DEMONSTRATION OF UNDUE HARDSHIP OR HISTORICALLY SIGNIFICANT STRUCTURE:

- Imposition of the rule would result in an undue hardship (unusual difficulty) because of physical limitations of the construction site or its utility services.
- Y

Imposition of the rule would result in an undue hardship (unusual difficulty) because of major operational problems in the use of the building or structure.
- Imposition of the rule would result in an undue hardship (unusual difficulty) because of excessive costs of additional or altered construction elements.
- Imposition of the rule would prevent the preservation of an architecturally or a historically significant part of the building or structure

Facts: 

Death or serious bodily injury could be inflicted on our students and staff in the event of an active shooter should we be denied the ability to use the patented door locking device.
